The Wellington is a newly-completed apartment building with a boutique retail and dining precinct on the ground floor, created by developer EPV Developments to be a vibrant gathering place for residents and their friends, and a destination that attracts people from all over Brisbane.

Mini Markets @ The Wellington showcases this vision by opening up the unique space for retailers and artists to collaborate and promote their products and services.

The next market day will take place on Saturday July 7, with a Lorna Jane pop-up store, Sass and Fate clothing, the latest fashion accessories from Adorne Jewellery, plus delicious items from King of Cakes, Dello Mano Brownies, Big Michael's Fruit & Veg and more.

The market is an initiative to support local businesses and anyone interested in performing or taking up a market stall is urged to contact the [Min & Co Facebook page](#) and leave their contact details.
