## MAASRA SUPERSIZED

Published on September 18, 2018 | In Apartments

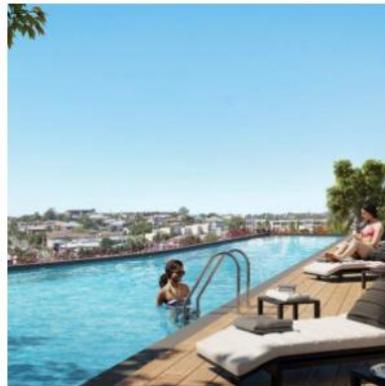

Maasra Apartments in Coorparoo has unveiled new plans for supersized apartments providing all the space and amenity of a house with the convenience and facilities provided by apartment living.

Situated at the heart of the city, Maasra Apartments is a luxury mixed use residential building with a total of 104 apartments spanning eight floors. It also features amenities such as a boutique retail and a restaurant on the ground floor and commercial office space on level one. The luxurious apartments include four bedrooms equipped with a study and a media room as well as a butler's pantry. Additional benefits of this supersized apartments come with four secure side-by-side car parking spaces.

Situated at the heart of the city, Maasra Apartments is a luxury mixed use residential building with a total of 104 apartments spanning eight floors. It also features amenities such as a boutique retail and a restaurant on the ground floor and commercial office space on level one. The luxurious apartments include four bedrooms equipped with a study and a media room as well as a butler's pantry. Additional benefits of this supersized apartments come with four secure side-by-side car parking spaces.

The building is just within proximity of the Brisbane CBD, making it a prime location to live, with public transport at the doorstep and easy access to the main roads. The apartments also have a podium recreational space with multiple entertainment areas, including a 25 metre pool with timber decking and sunbeds. It includes a gymnasium and residents' lounge built to serve the needs of the residents. Thoughtfully planned, the apartments also have beautifully landscaped surrounds that serves as a peaceful retreat away from the hustle and bustle of the city.

Maasra's two, three and four-bedroom apartments are available in a variety of floor plans designed to offer contemporary living.
