## Summerlin Terrace Homes

BY DENNIS FAMILY CORPORATION

Summerlin Terrace Homes are a complementary mix of high-quality apartments and terrace homes, all part of a brand new \$100 million master planned community. Provisions for landscaped gardens, activated street fronts, and premium recreational facilities lead the way in revitalising Banyo, bringing flair and modern design back to the emerging neighborhood. Summerlin is a distinguished collection of unique terrace homes and boutique apartments that showcase the green parklands and pristine nature reserves that make Banyo Brisbane's best-kept secret. Vibrant and contemporary designs of Summerlin Terrace Homes have been molded to incorporate what matters most; bigger living spaces, luxurious finishes, style and sophistication, all delivered at an affordable price. Spacious floor plans, stylish features and state-of-the-art finishes create a sense of luxury previously unseen in Banyo. Paired with function and tranquil surrounds, these make Summerlin a sought after residential destination.
