

Parkside Residences December 2023

Dear valued purchasers,

Please see below the construction update:

- All concrete pours of the floor levels now finished.
- Blockwork has started on the third floor.
- Corefill to blockwork this week.
- Structural steel is in manufacture.
- Plumbing and Electrical rough-in continues on lower floors.
- A/C rough in continues in the basement.

The projected settlement date remains March/April 2024.
